Our 2008 Course Schedule was designed to address the current educational needs of CEREC users. We invite you to call Laura at (619) 828-1660 for complete course information and policies. No matter where you are on the road to CEREC success we have a course designed for you! Course will include lecture, follow-along demonstrations, hands-on exercises, interactive dialogue, and a detailed Dentistry By Design Course reference guide. The latest software releases and technology will be taught at each course. We feature an intimate course setting of no more than 10 students to provide you with the personalized attention you deserve. Course dates are subject to change.
